1. to receive the audited consolidated financial statements of the Company for the financial year ended December 31, 2025 together with the report of the auditor thereon;
2. to elect directors of the Company for the ensuing year;
3. to re-appoint the auditor of the Company for the ensuing year and to authorize the directors of the Company to fix the remuneration of the auditor;
4. to consider and, if deemed advisable approve, with or without variation, a resolution of shareholders of the Company confirming and approving the Company’s existing equity incentive plan, reserving for the grant and issuance of up to a total maximum of 10% of the outstanding common shares in the capital of the Company; and
5. to transact such other business as may properly be brought before the Meeting or any adjournment thereof.

Particulars of the foregoing matters are set forth in the accompanying management information circular (the “**Circular**”). Please review the Circular carefully and in full prior to voting in relation to the matters set out above as the Circular has been prepared to help you make an informed decision on such matters.

The directors of the Company have fixed the close of business on May 28, 2026 as the record date (the “**Record Date**”) for the determination of shareholders entitled to receive notice of, and to vote at, the Meeting. Only shareholders whose names have been entered in the register of shareholders as of the close of business on the Record Date will be entitled to receive notice of, and to vote at, the Meeting.

The Company is using the notice-and-access system (“**Notice-and-Access**”) under National Instrument 54-101 *Communications with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 *Continuous Disclosure Obligations* to distribute this notice and the Circular to shareholders, as well as the consolidated financial statements and accompanying management's discussion and analysis thereon. Notice-and-Access allows the Company to post electronic versions of its proxy-related materials on SEDAR+ and on the Company's website, rather than mailing paper copies to shareholders. This alternative means of distribution of the Company's proxy-related materials is more environmentally friendly by reducing paper use, and also reduces printing and mailing costs of the Company. Note that shareholders still have the right to request paper copies of the proxy-related materials posted online by the Company under Notice-and-Access if they choose.

The proxy-related materials are available under the Company's profile on SEDAR+ at www.sedarplus.ca and on the Company's website at www.gtresourcesinc.com. As noted above, the Company will provide any Shareholder, free of charge, a paper copy of the Circular upon request to the Company's transfer agent, at **1-866-600-5869** (toll-free), up to one year from the date the Circular is filed on SEDAR+. Shareholders who wish to receive a paper copy of the Circular in advance of the Meeting should make such request to the Company by no later than 4:00 p.m. (Vancouver time) on July 3, 2026, in order to allow reasonable time to receive and review the Circular prior to the proxy deadline of 10:30 a.m. (Vancouver time) on July 15, 2026. The Circular will be sent to shareholders within three business days of their request if the request is made prior to the date of the Meeting. Following the Meeting, the Information Circular will be sent to such Shareholders within 10 calendar days of their request.

Shareholders will receive a paper copy of a notice package (under Notice-and-Access via pre-paid mail containing: (i) a notification regarding the Company's use of Notice-and-Access and how the proxy-related materials may be obtained, (ii) a form of proxy (if you are a shareholder who holds your shares in your own name and have a share certificate or direct registration system (DRS) statement or a voting instruction form (if you are a beneficial shareholder), and (iii) a supplemental mailing list return card to elect to receive paper copies of the Company's financial statements and management's discussion and analysis for future financial statements and management's discussion and analysis if you so choose.

Shareholders are entitled to vote at the Meeting either in person or by proxy, as described in the Circular under the heading “*General Proxy Information*”. Only registered shareholders of the Company, or the persons they appoint as their proxies, are entitled to attend and vote at the Meeting. For information with respect to shareholders who own their Common Shares through an intermediary, see “*General Proxy Information – Non-Registered Shareholders*” in the Circular.

Whether or not you are able to attend the Meeting in person, you are encouraged to provide voting instructions on the enclosed form of proxy as soon as possible. To be included at the Meeting, your completed and executed form of proxy must be received by TSX Trust Company, Suite 301-100 Adelaide Street West, Toronto, Ontario, M5H 4H1, no later than 10:30 a.m. (Vancouver time) on July 15, 2026 (or no later than 48 hours (excluding Saturdays, Sundays and holidays) prior to any reconvened Meeting in the event of an adjournment of the Meeting) or deposited with the Chair of the Meeting prior to the commencement of the Meeting or any adjournment thereof. Voting instructions may also be provided by telephone or the internet by following the instructions on the form of proxy.

MANAGEMENT INFORMATION CIRCULAR

May 28, 2026

GENERAL PROXY INFORMATION

Solicitation of Proxies

The information contained in this management information circular (“**Circular**”) is given as of May 28, 2026 except where otherwise noted.

This Circular is furnished in connection with the solicitation of proxies by the management of GT Resources Inc. (the “**Company**”) for use at the annual general and special meeting (the “**Meeting**”) of the shareholders of the Company (the “**Shareholders**”) to be held at 25th Floor Park Place, 666 Burrard Street, Vancouver, British Columbia, at 10:30 a.m. (Vancouver Time) on July 17, 2026 and at all adjournments thereof for the purposes set forth in the accompanying notice of meeting (the “**Notice of Meeting**”). The solicitation of proxies will be made primarily by mail and may be supplemented by telephone or other personal contact by the directors, officers and employees of the Company. Directors, officers and employees of the Company will not receive any extra compensation for such activities. The Company may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from the Shareholders of the Company in favour of the matters set forth in the Notice of Meeting. The Company may pay brokers or other persons holding common shares of the Company (“**Common Shares**”) in their own names, or in the names of nominees, for their reasonable expenses for sending forms of proxy and this Circular to beneficial owners of Common Shares and obtaining proxies therefrom. The cost of any such solicitation will be borne by the Company.

No person is authorized to give any information or to make any representation other than those contained in this Circular and, if given or made, such information or representation should not be relied upon as having been authorized by the Company. The delivery of this Circular shall not, under any circumstances, create an implication that there has not been any change in the information set forth herein since the date hereof.

Information contained in this Circular should not be construed as legal, tax, or financial advice to any particular Shareholder and Shareholders are urged to consult their own professional advisors in connection with the matters considered in this Circular.

Appointment of Proxies

A registered Shareholder of the Company may vote in person at the Meeting or may appoint another person to represent such Shareholder as proxy and to vote the Common Shares of such Shareholder at the Meeting. In order to appoint another person as proxy, such Shareholder must complete, execute and deliver the form of proxy accompanying this Circular, or another proper form of proxy, in the manner specified in the Notice of Meeting.

The persons named in the form of proxy accompanying this Circular are officers and/or directors of the Company. A Shareholder of the Company has the right to appoint a person or company (who need not be a Shareholder of the Company), other than the persons designated in the form of proxy, to represent such Shareholder at the Meeting and at any adjournment thereof. Such right may be exercised by either striking out the names of the persons designated in the form of proxy and inserting the name of the person to be appointed in the blank space provided in the form of proxy, or by completing another proper form of proxy and, in either case, delivering the completed and executed proxy to the Company's Registrar and Transfer Agent, TSX Trust Company, Suite 301-100 Adelaide Street West, Toronto, Ontario, M5H 4H1, no later than 10:30am (Vancouver Time) on July 15, 2026 (or no later than 48 hours (excluding Saturdays, Sundays and holidays) prior to any reconvened Meeting in the event of an adjournment of the Meeting) or depositing the completed and executed form of proxy with the Chair of the Meeting prior to the commencement of the Meeting or any adjournment thereof. Voting instructions may also be provided by telephone or the internet by following the instructions on the form of proxy.

Revocation of Proxies

A registered Shareholder of the Company who has given a proxy may revoke the proxy at any time prior to use by: (a) depositing an instrument in writing, including another completed form of proxy, executed by such registered Shareholder or by his or her attorney who is authorized by a document that is executed in writing or by electronic signature or, if the registered Shareholder is a corporation, by an authorized officer or attorney thereof, or transmitting, by telephonic or electronic means, a revocation signed, subject to the *Business Corporations Act* (British Columbia), by electronic signature, (i) with the Chair of the Meeting, or with a person designated by the Chair of the Meeting, prior to the commencement of the Meeting or any adjournment thereof; or (ii) in any other manner permitted by law.

Exercise of Discretion by Proxies

The Common Shares represented by an appropriate form of proxy will be voted or withheld from voting on any ballot that may be called for at the Meeting, or at any adjournment thereof, in accordance with the instructions of the Shareholder of the Company contained on the form of proxy and, if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. **In the absence of instructions, such Common Shares will be voted in favour of each of the matters described in the Notice of Meeting.**

The enclosed form of proxy, when properly completed and signed, confers discretionary authority upon the persons named therein to vote on any amendments to or variations of the matters described in the Notice of Meeting and on other matters, if any, which may properly be brought before the Meeting or any adjournment thereof. At the date hereof, management of the Company knows of no such amendments or variations or other matters to be brought before the Meeting. However, if any other matter which is not now known to management of the Company should properly be brought before the Meeting, or any adjournment thereof, the Common Shares represented by such proxy will be voted on such matter in accordance with the judgment of the person named as proxy thereon.

Execution of Proxy

The form of proxy must be signed by the Shareholder of the Company or the duly appointed attorney thereof authorized in writing or, if the Shareholder of the Company is a corporation, by an authorized officer of such corporation. A form of proxy signed by the person acting as attorney of the Shareholder of the Company or in some other representative capacity, including an officer of a corporation which is a Shareholder of the Company, should indicate the capacity in which such person is signing. A Shareholder of the Company or their attorney may sign the form of proxy or a power of attorney authorizing the creation of a proxy by electronic signature provided that the means of electronic signature permits a reliable determination that the document was created or communicated by or on behalf of such Shareholder or by or on behalf of their attorney, as the case may be.

Non-Registered Shareholders

Only registered Shareholders of the Company, or the persons they appoint as their proxy, are entitled to attend and vote at the Meeting. The Common Shares of a non-registered Shareholder (a “**Non-Registered Shareholder**”) who beneficially owns Common Shares will generally be registered in the name of either:

- (a) an intermediary (an “**Intermediary**”) with whom the Non-Registered Shareholder deals in respect of the Common Shares (including, among others, banks, trust companies, securities dealers or brokers, trustees or administrators of a self-administered registered retirement savings plan, registered retirement income fund, registered education savings plan and similar plans); or
- (b) a clearing agency (such as CDS Clearing and Depository Services Inc. or The Depository Trust Company) of which the Intermediary is a participant.

There are two kinds of beneficial owners: objecting beneficial owners who object to their name being made known to issuers of securities which they own (“**OBOS**”) and non-objecting beneficial owners who do not object to their name being made known to the issuers of securities which they own (“**NOBOs**”). Issuers can request and obtain a list of their NOBOs from Intermediaries via their transfer agents pursuant to National Instrument 54-101 – Communication

with Beneficial Owners of Securities of a Reporting Issuer of the Canadian Securities Administrators (“NI 54-101”) and issuers can use this list to distribute proxy-related materials directly to its NOBOs.

With respect to Non-Registered Shareholders, in accordance with the requirements of NI 54-101, the Company has distributed copies of the Notice of Meeting, this Circular and the accompanying form of proxy (collectively, the “**Meeting Materials**”) to the Intermediaries for onward distribution to Non-Registered Shareholders. Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless the Non-Registered Shareholders have waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will be given either:

- (a) **a voting instruction form which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Shareholder and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow.** Typically, the voting instruction form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the voting instruction form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. In order for the voting instruction form to validly constitute a form of proxy, the Non-Registered Shareholder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company; or
- (b) **a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary.** Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete the form of proxy and deposit it with TSX Trust Company, Suite 301, 100 Adelaide Street West, Toronto, Ontario, M5H 4H1.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Shareholder who receives either a voting instruction form or a form of proxy wish to attend the Meeting and vote in person (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the names of the persons named in the form of proxy and insert the Non-Registered Shareholder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the directions indicated on the form. **Non-Registered Shareholders should carefully follow the instructions of their Intermediaries and their service companies, including those instructions regarding when and where the voting instruction form or the form of proxy is to be delivered.**

A Non-Registered Shareholder who has submitted a voting instruction form or form of proxy may revoke it by contacting the Intermediary through which the Common Shares of such Non-Registered Shareholder are held and following the instructions of the Intermediary respecting the revocation of proxies.

NOTICE-AND-ACCESS

The Company is using the Notice-and-Access system under National Instrument 54-101 *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”) and National Instrument 51-102 *Continuous Disclosure Obligations* to distribute its proxy-related materials to Shareholders.

Under Notice-and-Access, rather than the Company mailing paper copies of the proxy-related materials and annual financial statements and related management's discussion and analysis to Shareholders, the materials can be accessed online under the Company's profile on SEDAR+ at www.sedarplus.ca and on the Company's website at www.gtresourcesinc.com. The Company has adopted this alternative means of delivery for its proxy-related materials in order to reduce paper use and printing and mailing costs.

Shareholders will receive a paper copy of a notice package (the “**Notice Package**”) under Notice-and-Access via pre-paid mail containing: (i) a notification regarding the Company's use of Notice-and-Access and how the proxy-related materials may be obtained, (ii) a form of proxy (if you are a registered Shareholder) or a voting instruction form (if you are a Non-Registered Shareholder), and (iii) a supplemental mailing list return card to elect to receive paper copies of the Company's financial statements and management's discussion and analysis for future financial statements.

Shareholders will not receive a paper copy of the Information Circular unless they contact the Company's transfer agent, toll free, at **1-866-600-5869**. In order to allow a reasonable time to receive and review a paper copy of the Circular in advance of the voting deadline, Shareholders who wish to receive a paper copy of the Circular should request paper copies no later than 4:00 p.m. (Vancouver time) on July 3, 2026.

Shareholders with questions about Notice-and-Access may contact the Company's registrar and transfer agent, TSX Trust Company at **1-866-600-5869**.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The board of directors of the Company (the “**Board**”) has fixed May 28, 2026 as the record date (“**Record Date**”) for the determination of the Shareholders of the Company entitled to receive notice of the Meeting. Shareholders of the Company of record at the close of business on the Record Date will be entitled to vote at the Meeting and at all adjournments thereof.

As at the Record Date, there were 389,117,726 Common Shares outstanding. Each Common Share entitles the holder of record thereof to one vote at the Meeting.

Only Shareholders of record on the close of business on the Record Date who either personally attend the Meeting or who complete and deliver a Proxy in the manner and subject to the provisions set out under the heading “Appointment and Revocation of Proxies” will be entitled to have their Common Shares voted at the Meeting or any adjournment(s) or postponement(s) thereof.

To the knowledge of the directors and executive officers of the Company, as of the Record Date, no person beneficially owns or controls or directs, directly or indirectly, Common Shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company except as set out below:

Name of Shareholder	Number of Common Shares Beneficially Owned or Controlled	Percentage of Outstanding Common Shares
Glencore Canada Corporation	62,452,738	16%

VOTES NECESSARY TO PASS RESOLUTIONS

Under the Company's Articles, the quorum for the transaction of business at a meeting of Shareholders is one person who is, or who represents by proxy, one or more Shareholders who, in the aggregate, hold at least 5% of the issued Common Shares entitled to be voted at the Meeting. A simple majority of the votes of those Shareholders who are present and vote either in person or by proxy at the Meeting is required in order to pass an ordinary resolution. A majority of at least two-thirds of the votes of those Shareholders who are present and vote either in person or by proxy at the Meeting is required to pass a special resolution.

PARTICULARS OF MATTERS TO BE ACTED UPON

Receiving the Financial Statements

The audited consolidated financial statements of the Company for the financial year ended December 31, 2025 have been mailed to the Company's registered and beneficial Shareholders who requested to receive them. At the Meeting, Shareholders and proxy holders will be given an opportunity to discuss the financial results with management.

Election of Directors

The Board currently consists of five directors and it is intended to elect five directors at the Meeting to serve for the ensuing year. Management is nominating the five individuals named in the table below to stand for election. Each director of the Company is elected annually and holds office until the next annual meeting of the Shareholders unless that person ceases to be a director before then in accordance with the Articles of the Company or the *Business Corporations Act* (British Columbia). In the absence of instructions to the contrary, the Common Shares represented by Proxy will, on a poll, be voted for the nominees herein listed. Management does not contemplate that any of the nominees will be unable to serve as a director.

Pursuant to the Advance Notice Policy adopted by the Board on October 26, 2016, which was approved by Shareholders at the annual and special meeting of Shareholders of the Company held on December 15, 2016 and is filed on SEDAR+ at www.sedarplus.ca under the Company's profile at www.sedarplus.ca, any additional director nominations for the Meeting must have been received by the Company in compliance with the Advance Notice Policy on or before the close of business on June 17, 2026. No additional director nominations were received by the Company.

The following table sets out the names of the persons to be nominated for election as directors, the positions and offices which they presently hold with the Company, their respective principal occupations or employment during the past five years if such nominee is not presently an elected director and the number of Common Shares of the Company which each beneficially owns, directly or indirectly, or over which control or direction is exercised as of the date of this Circular:

Bankruptcies

Other than as set out below, none of the nominees for election as a director of the Company is, or was within the ten years prior to the date hereof, a director or executive officer of any company that, while that person was acting in such capacity, or within a year of that person ceasing to act in such capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets:

- Lawrence Roulston became a director of KBL Mining Ltd. (“**KBL**”) in March 2015, a company listed on the Australian Stock Exchange at the time, as a result of being the director nominee of Quintana Resources Capital ULC (an investor in KBL by way of a streaming transaction which was secured by KBL’s Mineral Hill mine). On September 7, 2016, Mr. Roulston resigned his position as director and on September 8, 2016, KBL was placed into voluntary administration and on September 19, 2016, receivers were appointed.

None of the nominees for election as a director of the Company is, or has within the ten years prior to the date hereof become, bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold his assets.

Corporate Cease Trade Orders

Other than as set out below, none of the nominees for election as a director of the Company is, or was within the ten years prior to the date hereof, a director, chief executive officer or chief financial officer of any company that was subject to a cease trade order, an order similar to cease trade order or an order that denied such company access to any exemption under securities legislation that was, in each case, in effect for a period of more than 30 consecutive days and that was issued while that person was acting in such capacity or that was issued after that person ceased to act in such capacity and which resulted from an event that occurred while that person was acting in such capacity:

- Mr. Weyrauch was a director of Banro Corporation (“**Banro**”). On November 20, 2017, Banro became subject to a general cease trade order issued by the Ontario Securities Commission (the “**CTO**”) for failure to file its interim financial statements and management's discussion and analysis for the period ended September 30, 2017, and the certifications of such filings as required by National Instrument 52-109. The filings were not made due to significant uncertainty concerning Banro's ability to continue as a going concern. As part of a corporate turnaround and restructuring process, Banro declared insolvency and commenced a voluntary proceeding under the Companies' Creditors Arrangement Act (Canada) (the “**CCAA**”) on December 22, 2017 in the Ontario Superior Court of Justice. This proceeding was commenced to implement a debt restructuring and sale and investment solicitation process. On May 3, 2018 Banro implemented the CCAA Plan and emerged from court protection under the CCAA.

Penalties or Sanctions

None of the nominees for election as a director of the Company has been subject to: (i) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or (ii) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

The persons named in the form of proxy accompanying this Circular intend to vote FOR the election of each of the nominees whose names are set forth above, unless the shareholder of the Company who has given such proxy has directed that the Common Shares represented by such proxy be withheld from voting in respect of the election of each such nominee.

Management of the Company does not contemplate that any of the nominees will be unable to serve as a director of the Company for the ensuing year, however, if that should occur for any reason at or prior to the Meeting or any adjournment thereof, the persons named in the form of proxy accompanying this Circular have the right to vote for the election of the remaining nominees and may vote for the election of a substitute nominee in their discretion.

Appointment of Auditor

It is proposed that Davidson & Company LLP, Chartered Accountants, be appointed as the auditor of the Company to hold office until the close of the next annual meeting of the shareholders of the Company and that the Board be authorized to set the auditor's remuneration. Davidson & Company LLP is currently the auditor of the Company and was first appointed as the auditor of the Company effective April 25, 2016.

The persons named in the form of proxy accompanying this Circular intend to vote FOR the appointment of Davidson & Company LLP as the auditor of the Company until the close of the next annual meeting of the Shareholders of the Company or until its successor is appointed and the authorization of the Board to fix the remuneration of Davidson & Company LLP, unless the Shareholder of the Company who has given such proxy has directed that the Common Shares represented by such proxy be withheld from voting in respect of the appointment of the auditor of the Company.

Approval of the Equity Incentive Plan

The Company has in place a 10% rolling equity incentive plan, effective July 24, 2023, as amended on May 27, 2025, which was last approved by the shareholders of the Company on July 11, 2025 (the “**Equity Incentive Plan**”). The Equity Incentive Plan is attached hereto as **Schedule “B”**. The Equity Incentive Plan is a “rolling” up to 10% security-based compensation plan, whereby the maximum number of Common Shares that may be reserved for issuance upon the exercise of all awards granted under the Equity Incentive Plan is fixed at 10% of the outstanding Common Shares from time to time, less the number of Common Shares reserved for issuance under all other equity compensation plans of the Company. The Equity Incentive Plan complies with the policies of the TSX Venture Exchange (the “**TSXV**”) for Tier 2 issuers for security-based compensation following the TSXV’s adoption of Policy 4.4 effective November 24, 2021. Pursuant to the policies of the TSXV, the Company is required to obtain shareholder approval of the Equity Incentive Plan at each annual meeting of the shareholders and whenever an amendment to the Equity Incentive Plan is adopted.

At the Meeting, Shareholders will, in accordance with the requirements of Policy 4.4, be asked to consider, and if deemed appropriate, approve, with or without variance, a resolution approving the adoption by the Company of the Equity Incentive Plan.

The following is a summary of the key provisions of the Equity Incentive Plan. The following summary is qualified in all respects by the full text of the Equity Incentive Plan.

Summary of the Equity Incentive Plan

Purpose

The purpose of the Equity Incentive Plan is to attract, retain and motivate directors, officers, employees and consultants (collectively, the “**Participants**”) by providing them with the opportunity, through equity awards, to participate in the growth of the Company.

Administration

The Equity Incentive Plan provides that the Equity Incentive Plan shall be administered by the Board or, if the Board so determines, a committee of the Board authorized to administer the Equity Incentive Plan, including any compensation committee of the Board.

Granting of Awards

The stock options, restricted share units, and deferred share units (collectively, the “**Awards**”) are non-assignable and non-transferrable. Awards may be granted under the Equity Incentive Plan only to eligible persons subject to the rules and regulations of applicable securities regulatory authorities and the rules and policies of the TSXV (or any Canadian stock exchange upon which the Common Shares may be listed or may trade from time to time).

The Equity Incentive Plan is a “rolling” up to 10% share-based compensation plan and any increase in the number of outstanding Common Shares will result in an increase in the number of Common Shares that are available to be issued under the Equity Incentive Plan, and any exercise of an Award previously issued under the Equity Incentive Plan prior to any such increase in the number of Common Shares will result in an additional grant being available under the Equity Incentive Plan. The aggregate number of Common Shares reserved for issue pursuant to the Equity Incentive Plan cannot exceed 10% of the aggregate number of Common Shares outstanding at the time of the grant of the applicable Award.

The total number of Common Shares which may be reserved for issuance to any one individual under the Equity Incentive Plan and any other share-based incentive plan of the Company within any 12-month period shall not exceed 5% of the aggregate number of Common Shares outstanding at the time of the grant of the applicable Award. The maximum number of Awards which may be granted to insiders (as a group) under the Equity Incentive Plan, together with any other previously established or proposed share compensation arrangements, within any one-year period shall be 10% of the outstanding issue.

The maximum number of Awards which may be granted to any one consultant under the Equity Incentive Plan or any other share-based incentive plan of the Company within any 12-month period must not exceed 2% of the Common Shares issued and outstanding at the time of the grant (on a non-diluted basis).

Persons performing investor relations services may only be issued stock options under the Equity Incentive Plan, and are limited to an aggregate, 2% of the Common Shares issued and outstanding at the time of the grant (on a non-diluted basis) within any 12-month period.

Vesting

Stock options issued under the Equity Incentive Plan may vest at the discretion of the Board (or a committee of the Board, as applicable), as applicable, provided that if required by any stock exchange on which the securities of the Company trade, but stock options issued to investor relations consultants must vest in stages over not less than 12 months.

All other Awards must not vest until at least 12 months from the date of grant of such Award.

Shareholder Approval of the Equity Incentive Plan

At the Meeting, Shareholders will be asked to consider and, if deemed advisable, to pass, with or without variation, the following ordinary resolution (the “**Equity Incentive Plan Resolution**”), in substantially the following form, granting annual approval of the Equity Incentive Plan, subject to such changes as may be required by counsel or regulatory authorities:

“BE IT RESOLVED as an ordinary resolution of the shareholders of the Company, that:

1. the equity incentive plan of the Company (the “**Equity Incentive Plan**”), as more particularly described in the information circular of the Company dated May 28, 2026, is hereby confirmed and approved as the equity-based compensation plan of the Company; and
2. any one or more of the directors or officers of the Company is authorized and directed, upon the board of directors of the Company resolving to give effect to this resolution, to take all necessary steps and proceedings and to execute, deliver and file any and all declarations,

agreements, documents and other instruments and do all such other acts and things that may be necessary or desirable to give effect to the resolution.

In order to be passed, the Equity Incentive Plan Resolution requires the approval of a majority of the votes cast thereon by shareholders of the Company present in person or represented by proxy at the Meeting. **The Board unanimously recommends that shareholders vote in favour of the Equity Incentive Plan Resolution. The persons named in the form of proxy accompanying this Circular intend to vote FOR the Equity Incentive Plan Resolution, unless the shareholder of the Company who has given such proxy has directed that the Common Shares represented by such proxy be voted against the Equity Incentive Plan Resolution.**

Other Matters

Management is not aware of any matter to come before the Meeting other than those set forth in the Notice of Meeting. If any other matter properly comes before the Meeting, it is the intention of the persons named in the form of proxy to vote the shares represented thereby in accordance with their best judgment on such matter.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as set forth herein, management of the Company is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any person who has been a director or an executive officer of the Company at any time since the beginning of the Company's last financial year, any person who is a proposed nominee for election as a director of the Company, or of any associate or affiliate of any such persons, in any matter to be acted upon at the Meeting other than the election of directors or the appointment of auditors.

STATEMENT OF EXECUTIVE COMPENSATION

The purpose of this section is to describe the compensation of the "Named Executive Officers" or the "NEOs" of the Company and each of the directors of the Company in accordance with Form 51-102F6V – *Statement of Executive Compensation – Venture Issuers of the Canadian Securities Administrators*. "Named Executive Officer" or "NEOs" refer to each individual who, during any part of the most recently completed financial year, served as chief executive officer, each individual who, during any part of the most recently completed financial year, served as chief financial officer, and the most highly compensated executive officer, other than the chief executive officer and chief financial officer, at the end of the most recently completed financial year whose total compensation was more than \$150,000 for that financial year. The Named Executive Officers of the Company for the financial year ended December 31, 2024 were Derrick Weyrauch, the President, Chief Executive Officer and a director of the Company, Sara Hills, the Chief Financial Officer, and Neil Pettigrew, Vice President of Exploration and a director of the Company.

Oversight and Description of Director and Named Executive Officer Compensation

The Company has a compensation committee (the "Compensation Committee") that is currently comprised of two independent directors and one non-independent director. The compensation paid by the Company to its NEOs is determined by the Board based on recommendations from the Compensation Committee at the time of engagement of the NEO. Compensation payable to an NEO is subsequently reviewed at the discretion of the Board from time to time. The Compensation Committee evaluates the performance of the NEOs, reviews the Company's cash position and general public market conditions, establishes executive and senior officer compensation and determines the general compensation structure, policies and programs of the Company. The Board recognizes the need to provide a total compensation package that will attract and retain qualified and experienced executives, as well as align the compensation level of each executive to that executive's level of responsibility. In general, a NEO's compensation is comprised of (i) base salary; (ii) share-based awards; and (iii) bonuses.

Compensation Discussion and Analysis

The Company's compensation philosophy for executive officers follows three underlying principles:

- (a) to provide compensation packages that encourage and motivate performance;

- (b) to be competitive with other companies of similar size and scope of operations so as to attract and retain talented executives; and
- (c) to align the interests of its executive officers with the long-term interests of the Company and its shareholders through stock related programs.

When determining compensation policies and individual compensation levels for the Company's executive officers, the Company takes into consideration a variety of factors, including the overall financial and operating performance of the Company, and the Board's overall assessment of:

- (a) each executive officer's individual performance and contribution towards meeting corporate objectives;
- (b) each executive officer's level of responsibility;
- (c) each executive officer's length of service; and
- (d) industry comparable.

In keeping with the Company's philosophy to link senior executive compensation to corporate performance and to motivate senior executives to achieve exceptional levels of performance, the Company has adopted a model that includes both base salary or consulting fees and "at-risk" compensation, comprised of participation in the Company's equity-based compensation plans. In addition, the Company may award performance bonuses based on executives meeting short-term performance milestones.

When determining compensation for the Company's executive officers the Company references the Bedford Consulting Group's annual study on compensation practices in the mining industry which provides a detailed analysis on remuneration of C-Suite executives, Board and Committee members.

Base Salary – Fees

Base salary and consulting fee levels reflect the fixed component of pay that compensates executives for fulfilling their roles and responsibilities and assists in the attraction and retention of highly qualified executives. Base salaries are reviewed annually to ensure they reflect each respective executive's performance and experience in fulfilling his or her role and to ensure executive retention. Compensation is made up with the provision of stock options (see below for description) and restricted share units. Salary and consulting fee levels will be reviewed and revised as the Company grows.

Share-Based Compensation

Performance-based incentives are granted by way of security-based compensation awards. The Awards are intended to align executive interests with those of shareholders by tying compensation to share performance and to assist in retention through vesting provisions. Grants of Awards are based on:

- (a) the executive's performance;
- (b) the executive's level of responsibility within the Company;
- (c) the number and exercise price of options previously issued to the executive;
- (d) the difference between the executive's salary and that paid by comparable companies; and
- (e) the overall aggregate total compensation package provided to the executive.

Share-based awards are typically granted on an annual basis in connection with the review of executives' compensation packages. Awards may also be granted to executives upon hire or promotion and as special recognition for extraordinary performance.

Chief Executive Officer Compensation

The components of the CEO's compensation are the same as those which apply to the other senior executive officers of the Company, namely base salary or consulting fees, stock options and restricted share unit incentives and discretionary performance bonuses (which are subject to targets being achieved). In setting the recommended salary or consulting fees of the CEO, the Company takes into consideration the salaries or fees paid to other chief executive officers in similar industries and in the public company sector, as described above under the heading "Compensation Discussion and Analysis". In setting the salary or fees, performance bonus and long-term incentives for the CEO, the Company evaluates the performance of the CEO in light of his impact on the achievement of the Company's goals and objectives.

Derrick Weyrauch is an executive officer of the Company, and, accordingly, he is not considered to be independent of the Company for the purposes of NI 58-101, and Neil Pettigrew acts as the Vice President of Exploration for the Company, and is also not considered to be independent of the Company for the purposes of NI 58-101.

The Board believes that it functions independently of management and reviews its procedures on an ongoing basis to ensure that it is functioning independently of management. The independent directors exercise their responsibilities for independent oversight of management and meet independently of management if and when deemed necessary. When conflicts arise, interested parties are precluded from voting on matters in which they may have an interest. In light of the suggestions contained in NP 58-201, the Board convenes meetings, as deemed necessary, of the independent directors, at which non-independent directors and members of management are not in attendance. The Board discharges its responsibilities directly and through the committees of the Board. Each committee of the Board operates under a formal charter or mandate which is reviewed and updated as necessary. In fulfilling its responsibilities, the Board delegates day-to-day authority to management of the Company, while reserving the ability to review management decisions and exercise final judgement on any matter. In accordance with applicable legal requirements and historical practice, all matters of a material nature are presented by management to the Board for approval.

Directorships

The following directors of the Company are presently directors of the following other reporting issuers (or the equivalent in a foreign jurisdiction):

Cameron Bell	N/A
Giovanna Bee Moscoso	N/A

Orientation and Continuing Education

Each new director is given an outline of the nature of the Company's business, its corporate strategy, and current issues within the Company. New directors are also required to meet with management of the Company to discuss and better understand the Company's business and are given the opportunity to meet with counsel to the Company to discuss their legal obligations as directors of the Company.

In addition, management of the Company takes steps to ensure that its directors and officers are continually updated as to the latest corporate and securities policies that may affect the directors, officers and committee members of the Company as a whole. The Company continually reviews the latest securities rules and policies and is on the mailing list of the TSXV to receive updates to any of those policies. Any such changes or new requirements are then brought to the attention of the Company's directors either by way of director or committee meetings or by direct communications from management to the directors.

Ethical Business Conduct

The Board has implemented a written code of ethics (the "Code"), and views good corporate governance as an integral component to the success of the Company. The Code has been filed on SEDAR and is available under the Company's profile at www.sedarplus.ca.

Some of the directors of the Company also serve as directors and officers of other companies engaged in similar business activities. As such, the Board must comply with the conflict-of-interest provisions of applicable corporate law as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors which evoke any such conflict.

Nomination of Directors

The Board determines new nominees to the Board, the nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members. The Board monitors but does not formally assess the performance of individual Board members or committee members or their contributions. The Company conducts the due diligence, reference and background checks on any suitable candidate. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required and a willingness to serve. Nominees are interviewed by the Board and are asked to join the Board where consensus regarding the nominee is obtained.

Other Board Committees

The Company has established three (3) committees, presently being the following:

- (a) Audit Committee which reviews quarterly and annual financial statements and management and discussion and analysis, and works with the Company's auditor. The members of this committee are Lawrence Roulston (Chairman), Giovanna Bee Moscoso, and Cameron Bell.

- (c) ESG Committee which provides advice and recommendations with respect to environment, social and governance matters to ensure the Company conducts its activities in an environmentally and socially responsible manner. The members of this committee are Giovanna Bee Moscoso (Chairwoman), Lawrence Roulston and Derrick Weyrauch.

All Board decisions are made by board of director meetings or consent resolutions.

Assessments

Neither the Company nor the Board has determined formal means or methods to regularly assess the Board, its committees or the individual directors with respect to their effectiveness and contributions. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of an individual director are informally monitored by the other Board members, having in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

Corporate Disclosure

The Company has established a policy which sets out the criteria for permitting the disclosure of information about the Company to the public, ensuring that non-publicly disclosed information remains confidential, and ensuring that trading of the Company's securities by directors, officers and employees remains in compliance with applicable securities laws. The policy also provides a procedure to facilitate the receipt, retention, review and resolution of complaints, denunciations and warnings given in any form by any employee or former employee of the Company regarding a questionable event.

The Company feels its corporate disclosure practices are appropriate and effective for the Company and its stage of operations. The Company's method of corporate governance allows the Company to operate efficiently with simple checks and balances that control and monitor management and corporate functions without excessive administrative burden.

OTHER MATTERS

Management knows of no other matters to come before the Meeting other than those referred to in the Notice of Meeting. Should any other matters properly come before the Meeting the shares represented by the Instrument of Proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting by proxy.

ARTICLE II
ESTABLISHMENT, PURPOSE, AND ADMINISTRATION OF THE PLAN

2.1 Establishment

The Corporation hereby establishes the Plan, which shall be adopted and become effective on the date approved by the Board.

2.2 Purpose of the Plan

The Plan provides for the payment of bonus compensation in the form of Shares or, at the option of the Corporation, cash to Participants for the purpose of advancing the interests of the Corporation and its Affiliates through the attraction, retention and motivation of Eligible Employees, Eligible Directors and Eligible Consultants and to secure for the Corporation and the shareholders of the Corporation the benefits inherent in the ownership of Shares by Eligible Employees, Eligible Directors and Eligible Consultants, it being generally recognized that restricted share unit plans aid in attracting, retaining and motivating employees, directors and consultants due to the opportunity offered to them to acquire a proprietary interest in the Corporation. All Awards granted hereunder shall be in addition to, and not in substitution for or in lieu of, ordinary salary and wages received or receivable by any Participant who is an Eligible Employee or Eligible Director in respect of their services to the Corporation or an Affiliate of the Corporation, as applicable.

2.3 Administration of the Plan

The Plan shall be administered by the Committee and the Committee shall have full authority to administer the Plan including the authority to interpret and construe any provision of the Plan and to adopt, amend and rescind such rules and regulations for administering the Plan as the Committee may deem necessary or desirable in order to comply with the requirements of the Plan, subject in all cases to compliance with regulatory requirements. All actions taken and all interpretations and determinations made by the Committee in good faith shall be final and conclusive and shall be binding on the Participants, the Corporation and its Affiliates. No member of the Committee shall be personally liable for any action taken or determination or interpretation made in good faith in connection with the Plan and all members of the Committee shall, in addition to their rights as directors of the Corporation, be fully protected, indemnified and held harmless by the Corporation with respect to any such action taken or determination or interpretation made. The appropriate officers of the Corporation are hereby authorized and empowered to do all things and execute and deliver all instruments, undertakings, applications and writings as they, in their absolute discretion, consider necessary or desirable for the implementation of the Plan and of the rules and regulations established for administering the Plan. All costs incurred in connection with the Plan shall be for the account of the Corporation and its Affiliates.

2.4 Delegation to Committee

All of the powers exercisable hereunder by the Board may, to the extent permitted by applicable law and as determined by resolution of the Board, be exercised by a committee of the Board comprised of not less than three (3) directors of the Corporation, including any compensation committee of the Board.

2.5 Record Keeping

The Corporation shall maintain a register in which shall be recorded:

- (a) the name and address of each Participant; and
- (b) the number and type of Awards granted to each Participant.

2.6 Determination of Participants and Participation

The Committee shall from time to time determine the Eligible Employees, Eligible Directors and/or Eligible Consultants who may participate in the Plan. The Committee shall from time to time determine the Eligible Employees, Eligible Directors and/or Eligible Consultants to whom Awards shall be granted and the provisions and restrictions with respect to such grant, all such determinations to be made in accordance with the provisions of the Plan, and the Committee may take into consideration the present and potential contributions of, and the services rendered by, the particular Participant to the success of the Corporation and its Affiliates and any other factors which the Committee deems appropriate and relevant. All Eligible Employees, Eligible Directors and Eligible Consultants shall be bona fide Eligible Employees, Eligible Directors and Eligible Consultants, as the case may be. Investor Relations Service Providers cannot receive any security-based compensation other than Options.

2.7 Plan Limit and Limits on Grants

- (a) This Plan is a "rolling up to 10%" Security-Based Compensation Arrangement under Policy 4.4 – *Security Based Compensation* of the Exchange. The aggregate maximum number of Shares in respect of which Awards may be outstanding at any time under this Plan, when combined with all Shares reserved for issuance under all other Security-Based Compensation Arrangements of the Corporation, shall not exceed 10% of the total number of Shares then outstanding. Any Shares subject to an Award which has been granted under the Plan and which has been cancelled or terminated in accordance with the terms of the Plan prior to such Restricted Share Unit being fully vested will again be available under the Plan.
- (b) The aggregate number of Shares reserved for issuance from treasury under the Plan alone or when combined with all other Share-based awards granted to Insiders (as a group) under the Plan and all other Security-Based Compensation Arrangements of the Corporation at any point in time must not exceed 10% of the issued Shares, unless disinterested shareholder approval is obtained.
- (c) The maximum aggregate number of Shares issuable pursuant to this Plan and all other Security-Based Compensation Arrangements of the Corporation granted or issued in any 12-month period to Insiders, as a group, must not exceed 10% of the total number of Shares then outstanding, unless disinterested shareholder approval is obtained.
- (d) The maximum aggregate number of Shares issuable from treasury pursuant to this Plan and all other Security-Based Compensation Arrangements of the Corporation granted or issued in any 12-month period to any one person (and companies wholly-owned by that person) must not exceed 5% of the total number of Shares then outstanding, unless disinterested shareholder approval is obtained.
- (e) The aggregate number of Share-based awards granted to any one Eligible Consultant in any 12-month period under the Plan alone or when combined with all other Security-Based Compensation Arrangements (or grants) of the Corporation must not exceed 2% of the issued Shares, calculated on the date an Award is granted to the Eligible Consultant.
- (f) The maximum aggregate number of Shares reserved for issuance pursuant to all Options granted in any 12-month period, under this Plan, to all Investor Relations Service Providers and to all other Participants conducting Investor Relations Activities, upon the exercise of Options, shall not exceed, in the aggregate, 2% of the number of Shares then outstanding, calculated on the date any Option is granted. Options granted to Investor Relations Service Providers and to all other Participants performing Investor Relations Activities shall vest in stages over a period of not less than 12 months such that:

- (i) no more than $\frac{1}{4}$ of the Options granted to such Participant vest no sooner than three months after the Options were granted;
- (ii) no more than $\frac{1}{4}$ of the Options granted to such Participant vest no sooner than six months after the Options were granted;
- (iii) no more than $\frac{1}{4}$ of the Options granted to such Participant vest no sooner than nine months after the Options were granted; and
- (iv) the remainder of the Options granted to such Participant vest no sooner than 12 months after the Options were granted.

The Committee shall, through the establishment of appropriate procedures, monitor the trading in the securities of the Corporation by all Option holders performing Investor Relations Activities.

- (g) Vesting of Options granted to Investor Relations Service Providers and to all other Participants performing Investor Relations Activities shall not be accelerated without the prior written approval of the Exchange.
- (h) For purposes of this Section **Error! Reference source not found.**, the number of issued Shares shall mean the number of Shares outstanding on a non-diluted basis immediately prior to the proposed grant of the applicable Award.
- (i) All Shares issued pursuant to Awards granted under this Plan are subject to applicable limitations on sale or resale under Securities Laws and the policies of the Exchange. If an Exchange Hold Period is applicable, any Shares issued thereunder exercised prior to the expiry of the Exchange Hold Period must be legended accordingly. A four-month hold period (commencing on the date the Options) is required for Options granted to Insiders of the Corporation, Eligible Consultants, or granted at any discount to the Market Value.
- (j) For purposes of this Section **Error! Reference source not found.**, the aggregate number of securities granted will be calculated with reference to the initial securities granted under such arrangements to a person (who was not previously an Insider of the Corporation or an Affiliate) upon such person becoming an Eligible Director of the Corporation or an Affiliate
- (k) For greater certainty, unless otherwise specified in the applicable Award Agreement, the granting of Awards to any Participant under the Plan in May to December of a calendar year will be awarded solely in respect of performance of such Participant in the same calendar year. Where Awards are granted in January to April of a particular calendar year, such bonus will be awarded solely in respect of performance of such Participant in the calendar year immediately preceding such grant. The calendar year in respect of which the Restricted Share Units are granted is referred to herein as the **"Service Year"**.

2.8 Vesting

- (a) An Award granted to a Participant for services rendered will entitle the Participant, subject to the Participant's satisfaction of any conditions, restrictions or limitations imposed under the Plan or the applicable Grant Letter, to receive a payment in fully paid Shares or, at the option of the Corporation (in the case of RSUs and DSUs), in cash on the date when the Award is fully vested (the **"Vesting Date"**), which date shall be no later than December 31st of the tenth calendar year following the Service Year applicable to the particular Award.

- (b) Subject to the foregoing, the Committee shall, in its sole and absolute discretion, determine any and all conditions to the vesting of any Awards granted to a Participant, which vesting conditions may be based on either or both of time and performance criteria as the Committee may determine in its sole and absolute discretion.
- (c) Restricted Share Units held by a U.S. Participant will become vested on the date on which the applicable vesting conditions have been satisfied or waived, as provided herein, and thus such Restricted Share Units are not, or are no longer, subject to a "substantial risk of forfeiture" within the meaning of U.S. Treasury Regulation Section 1.409A-1(d). Settlement/payout with respect to Restricted Share Units held by a U.S. Participant will occur no later than March 15th of the calendar year following the year in which such Restricted Share Units are no longer subject to a substantial risk of forfeiture, and a U.S. Participant shall not have the ability to influence the calendar year in which settlement/payment occurs.
- (d) Subject to Section **Error! Reference source not found.**, Awards that are RSUs or DSUs will not fully vest before one year following the applicable Grant Date.
- (e) For greater certainty, Awards granted to a Participant who is an Eligible Employee, Eligible Director or Eligible Consultant must expire within a reasonable period, not exceeding 12 months, following the date that Participant ceases to be an eligible Participant under the Plan. In the event of the death of a Participant, the period during which the Participant heirs or administrators are entitled to make a claim must not exceed one year from the Participant's death.

ARTICLE III **OPTIONS**

3.1 Nature of Options

An Option is an option granted by the Corporation to a Participant entitling such Participant to acquire a designated number of Shares from treasury at the Exercise Price, subject to the provisions hereof. Participants may be eligible to receive Options as outlined in this **Error! Reference source not found.**

3.2 Option Awards

- (a) The Committee shall, from time to time, in its sole discretion, (i) designate the Participants who may receive Options under the Plan, (ii) determine the number of Options, if any, to be granted to each Participant and the Grant Date of each such Option, (iii) determine the Exercise Price of each such Option, (iv) determine the relevant vesting provisions (including performance criteria, if applicable), and (v) determine the Expiry Date, provided that the Award shall be subject to the terms and conditions prescribed in the Plan, in any Award Agreement and any applicable rules of the Exchange.
- (b) All Options granted herein shall vest in accordance with the terms of the Award Agreement entered into in respect of such Options.

3.3 Exercise Price

The Exercise Price for Shares that are the subject of any Option shall be fixed by the Committee when such Option is granted but shall not be less than the Market Value of such Shares at the time of the grant. Disinterested shareholder approval will be obtained by the Corporation for any reduction in the Exercise Price if the person granted the Option is an Insider of the Corporation at the time of the proposed amendment.

3.4 Expiry Date; Blackout Period

Subject to Section **Error! Reference source not found.**, each Option must be exercised no later than ten years after the Grant Date or such shorter period as set out in the Participant's Option Agreement, at which time such Option will expire. Notwithstanding any other provision of the Plan, each Option that would expire during a Black-Out Period shall expire on the date that is ten business days immediately following the expiration of the Black-Out Period. Disinterested shareholder approval will be obtained by the Corporation for any extension to the Expiry Date if the person granted the Option is an Insider of the Corporation at the time of the proposed amendment.

3.5 Option Agreement.

Each Option must be confirmed by an Option Agreement. The Option Agreement shall contain such terms that the Corporation deems necessary and appropriate and to comply with applicable law. By execution of an Option Agreement by each of the Participant and the Corporation, the Participant and the Corporation shall each represent that the Participant is a bona fide Eligible Employee, Eligible Director, or Eligible Consultant, as the case may be. It will be the joint responsibility of the Participant and the Corporation that the Participant is and will remain a bona fide Eligible Employee, Eligible Director, or Eligible Consultant.

3.6 Exercise of Options.

- (a) Subject to the provisions of the Plan, a Participant shall be entitled to exercise an Option granted to such Participant, subject to vesting limitations which may be imposed by the Committee at the time such Option is granted and set out in the Option Agreement.
- (b) Prior to its expiration or earlier termination in accordance with the Plan, each Option shall be exercisable as to all or such part or parts of the optioned Shares and at such time or times and/or pursuant to the achievement of such performance criteria and/or other vesting conditions as the Committee may determine in its sole discretion.
- (c) No fractional Shares will be issued upon the exercise of Options granted under the Plan and, accordingly, if a Participant would become entitled to a fractional Share upon the exercise of an Option, or from an adjustment pursuant to Section **Error! Reference source not found.**, such Participant will only have the right to acquire the next lowest whole number of Shares and will receive a cash payment equal to the in-the-money value, if any, of such fractional Shares.

3.7 Method of Exercise and Payment of Exercise Price.

- (a) Subject to the provisions of the Plan and the alternative exercise procedures set out herein, an Option granted under the Plan may be exercisable (from time to time as provided in Section **Error! Reference source not found.** hereof) by the Participant (or by the liquidator, executor or administrator, as the case may be, of the estate of the Participant) by delivering an Exercise Notice substantially in the form to be attached as a schedule to the Award Agreement to the Corporation in the form and manner determined by the Committee from time to time, together with a bank draft, certified cheque or other form of payment acceptable to the Corporation in an amount equal to the aggregate Exercise Price of the Shares to be purchased pursuant to the exercise of the Options and any applicable tax withholdings.
- (b) No share certificates shall be issued and no person shall be registered in the share register of the Corporation as the holder of Shares until actual receipt by the Corporation of an Exercise Notice, payment for the Shares to be purchased, and satisfaction of any tax withholding requirements.
- (c) Subject to Section **Error! Reference source not found.**, upon the exercise of an Option pursuant to Section **Error! Reference source not found.** and Section **Error! Reference source not found.**,

the Corporation shall, as soon as practicable after such exercise but no later than ten (10) business days following such exercise, forthwith cause the transfer agent and registrar of the Shares to deliver to the Participant (or as the Participant may otherwise direct) such number of Shares as the Participant shall have then paid for and as are specified in such Exercise Notice.

- (d) Subject to the provisions of this Plan, the Committee may, in its sole and absolute discretion and at any time, determine to grant a Participant the alternative right, when entitled to exercise an Option, to elect to deal with such Option on a "cashless exercise" basis, in whole or in part by notice in writing to the Corporation, where the Corporation has an arrangement with a brokerage firm pursuant to which the following events shall occur in the order specified below:
 - (i) the brokerage firm agrees to loan money to the Participant equal to the amount of the Exercise Price of the Options to be exercised;
 - (ii) the Participant exercises the Option using the proceeds of the loan referred to in (a) above;
 - (iii) the brokerage firm receives such number of Shares underlying the Options to sell, at the direction of and on behalf of the Participant, the aggregate proceeds of which are sufficient to cover the Exercise Price in order to permit the Participant to repay the loan made to the Participant; and
 - (iv) the Participant receives the balance of the Shares underlying the Options pursuant to such exercise, or cash proceeds from the sale of the balance of the Shares underlying the Options.
- (e) Subject to the provisions of this Plan, the Board may, in its sole and absolute discretion and at any time, determine to permit a Participant (other than an Investor Relations Service Provider) to, when entitled to exercise an Option, elect to exercise such Option through a net exercise mechanism, in whole or in part by notice in writing to the Corporation, such that the Corporation does not receive any cash from the exercise of such Option and the Participant receives, disregarding fractions, only the number of Shares from the exercise of the Option that is equal to the quotient obtained by dividing: (A) the product of the number of Options being exercised and the difference between the Market Value of the underlying Shares and the Exercise Price of the subject Options; by (B) the Market Value of the underlying Shares.

3.8 Termination of Employment or Service

Except as provided for in the Option Agreement or as otherwise determined by the Committee:

- (a) in the event of the death of a Participant or, in the case of a Participant that is an Eligible Consultant which is not an individual, the primary individual providing services to the Corporation or an Affiliate of the Corporation on behalf of the Eligible Consultant, all unvested Options credited to the Participant will vest on the date of death. The Option may be exercised by the Participant's estate, by a person who acquired the right to exercise the Option by bequest or inheritance or by the person designated to exercise the Option upon the Participant's death, but only within the time period ending on the earlier of: (i) the date 12 months following the date of death; or (ii) the Expiry Date;
- (b) in the event of the total disability of a Participant, all unvested Options credited to the Participant will vest on the earlier of (i) the 60th day following the date on which the Participant is determined to be totally disabled; and (ii) the date of vesting otherwise provided in the applicable Option Agreement. The Option may be exercised by the Participant only within such period of time ending on the earlier of: (i) the date 12 months following the date on which the Participant is determined to be totally disabled; or (ii) the Expiry Date;

- (c) if a Participant shall cease to be employed by, or provide services to, the Corporation or an Affiliate of the Corporation (and is not or does not continue to be a director or employee thereof) as a result of termination without Cause, all unvested Options credited to the Participant will vest on the Termination Date, and may be exercised by the Participant, but only within such period of time ending on the earlier of: (i) the date 90 days following the date the Participant ceases to be employed by, or provide services to, the Corporation; or (ii) the Expiry Date;
- (d) if the Participant is terminated for Cause, the Option (whether vested or unvested) shall immediately terminate and cease to be exercisable;
- (e) for the avoidance of doubt, subject to applicable laws, no period of notice, if any, or payment instead of notice that is given or that ought to have been given under applicable law, whether by statute, imposed by a court or otherwise, in respect of such termination of employment that follows or is in respect of a period after the date the Participant ceases to be employed by, or provide services to, the Corporation will be considered as extending the Participant's period of employment for the purposes of determining his or her entitlement under the Plan; and
- (f) the Participant shall have no entitlement to damages or other compensation arising from or related to not receiving any awards that would have settled or vested or accrued to the Participant after the date the Participant ceases to be employed by, or provide services to, the Corporation.

ARTICLE IV

- (a) The Corporation may from time to time grant Restricted Share Units to a Participant at such times, in such numbers and on such terms and conditions, consistent with the Plan, as the Committee may in its sole discretion determine.

Subject to the absolute discretion of the Committee and in accordance with this Section **Error! Reference source not found.**, the Committee may elect to credit, as a bonus for services rendered in the calendar year containing the payment date for cash dividends paid on Shares (the "**Dividend Payment Date**"), a Participant with additional Restricted Share Units. In such case, the number of additional Restricted Share Units so credited under this Section **Error! Reference source not found.** will be equal to (computed to two (2) decimal places) the aggregate amount of dividends that would have been paid to the Participant if the Restricted Share Units in the Participant's account as of the record date for payment of such dividends had been Shares divided by the Market Value of a Share on the Dividend Payment Date.

The additional Restricted Share Units will vest on the Vesting Date of the particular Award to which the additional Restricted Share Units relate and such additional Restricted Share Units will be settled through the delivery of Shares or paid out in cash, at the absolute discretion of the Committee, at the time of settlement/payment of the Restricted Share Units to which they relate. If settled through the delivery of Shares, the additional Restricted Share Units will reduce the numbers of Shares available for issuance from treasury under this Plan as set out in Section **Error! Reference source not found.**

4.3 Termination of Employment or Service

Except as provided for in the Restricted Share Unit Grant Letter or as otherwise determined by the Committee:

- (a) in the event of the death of a Participant or, in the case of a Participant that is an Eligible Consultant which is not an individual, the primary individual providing services to the Corporation or an Affiliate of the Corporation on behalf of the Eligible Consultant, all unvested Restricted Share Units credited to the Participant will vest on the date of death. The Shares represented by the Restricted Share Units held by the Participant shall be issued or cash will be paid, as determined by the Committee, to or for the benefit of the Participant's estate as soon as practicable, in accordance with Sections **Error! Reference source not found.**, **Error! Reference source not found.** and **Error! Reference source not found.**;
- (b) in the event of the total disability of a Participant, all Restricted Share Units credited to the Participant which have not vested prior to the date on which the Participant is determined to be totally disabled will vest on the earlier of (i) the 60th day following the date on which the Participant is determined to be totally disabled and (ii) the Vesting Date otherwise applicable, and the Shares represented by Restricted Share Units held by the Participant shall be issued or cash will be paid, as determined by the Committee, to or for the benefit of the Participant as soon as practicable, in accordance with Sections **Error! Reference source not found.**, **Error! Reference source not found.** and **Error! Reference source not found.**;
- (c) if a Participant shall cease to be employed by, or provide services to, the Corporation or an Affiliate of the Corporation (and is not or does not continue to be a director or employee thereof) as a result of termination without Cause, all unvested Restricted Share Units credited to the Participant shall continue to vest in accordance with its terms and may be exercised at any time during the period that terminates on the 30th day after the Participant's Termination Date, and the Shares represented by Restricted Share Units held by the Participant shall be issued or cash will be paid, as determined by the Committee, to or for the benefit of the Participant as soon as practicable, in accordance with Sections **Error! Reference source not found.**, **Error! Reference source not found.** and **Error! Reference source not found.**; and
- (d) if a Participant shall:
 - (i) cease to be a director of the Corporation or an Affiliate of the Corporation (and is not or does not continue to be an employee thereof) for any reason other than death or total disability, or
 - (ii) cease to be employed by, or provide services to, the Corporation or an Affiliate of the Corporation (and is not or does not continue to be a director or employee thereof) for any reason other than death, total disability or termination without Cause,

all Restricted Share Units held by such Participant shall be forfeited and cancelled as of the Termination Date, and the Participant shall have no entitlement to receive any payment in respect of such forfeited Restricted Share Units, or any other amount in respect of such forfeited Restricted Share Units, by way of damages, payment in lieu or otherwise.

4.4 Redemption – Fully Paid Shares to the Participant

Subject to Sections **Error! Reference source not found.** and **Error! Reference source not found.**, the payment obligation in respect of any vested Restricted Share Units, net of any applicable taxes and other source deductions required to be withheld, will be settled, on the redemption of the Restricted Share Units, with the issue of fully paid

Shares from treasury. If, after the issuance of Shares in accordance with this Section **Error! Reference source not found.**, an amount remains payable in respect of the vested Restricted Share Units being redeemed, the applicable Affiliate of the Corporation shall pay such remaining amount in cash (net of any applicable taxes or other source deductions required to be withheld) to the Participant.

4.5 Redemption – Cash Payment to the Participant

In the event that the Employer elects to satisfy its payment obligation in cash, on the Vesting Date, the Restricted Share Units shall be redeemed and cash paid to the Participant by the Corporation or the Affiliate of the Corporation that is the Employer of the Participant subject to Section **Error! Reference source not found.** The Market Value of the vested Restricted Share Units so redeemed shall, after deduction of any applicable taxes and other source deductions required to be withheld, be paid in cash.

4.6 Adjustment

For greater certainty, no amount will be paid to, or in respect of, a Participant under the Plan or pursuant to any other arrangement, and no additional Restricted Share Units will be granted to a Participant to compensate the Participant for any downward fluctuations in the price of a Share nor will any other form of benefit be conferred upon, or in respect of, a Participant for such a purpose.

Neither the Corporation nor any Affiliate of the Corporation will contribute any amounts to a third party or otherwise set aside any amounts to fund the benefits that will be provided under the Plan. Vested Restricted Share Units represent unfunded and unsecured obligations of the Corporation and a Participant's rights therein are no greater than the rights of general creditors of the Corporation.

4.7 Restricted Share Unit Grant Letter

Each grant of a Restricted Share Unit under the Plan shall be evidenced by a Restricted Share Unit grant letter to the Participant from the Corporation (a "**Restricted Share Unit Grant Letter**"). Such Restricted Share Unit Grant Letter shall be subject to all applicable terms and conditions of the Plan and may be subject to any other terms and conditions which are not inconsistent with the Plan and which the Committee deems appropriate for inclusion in a Restricted Share Unit Grant Letter. The provisions of the various Restricted Share Unit Grant Letters issued under the Plan need not be identical.

4.8 Participant Criteria

The Committee shall establish criteria for the grant of Restricted Share Units to Eligible Employees, Eligible Directors and Eligible Consultants.

4.9 Change of Control

Notwithstanding Section **Error! Reference source not found.** or anything in this **Error! Reference source not found.** to the contrary, if there is a Change of Control, and if, at the time of the Change of Control:

- (a) the Participant is an Eligible Employee, and if, within 12 months of the Change of Control, the Corporation terminates the employment or services of such Participant without Cause, if such Participant resigns in circumstances constituting constructive dismissal, or otherwise ceases to be a Participant under the Plan (each, an "**Event of Termination**"), then all Restricted Share Units outstanding that are held by such Participant shall immediately vest on the date of such Event of Termination notwithstanding the Vesting Date; or

- (b) the Participant is not an Eligible Employee but ceases to be a Participant under the Plan as a result of the Change of Control, then all Restricted Share Units outstanding that are held by such Participant shall immediately vest on the date of such Change of Control notwithstanding the Vesting Date.

In any event, upon a Change of Control, Participants shall not be treated any more favourably than shareholders of the Corporation with respect to the consideration that the Participants would be entitled to receive for their Shares.

4.10 Election - Sale of Shares by Broker

In the event that the payment obligation in respect of vested Restricted Share Units is settled in Shares, a Participant may direct to have the Broker sell such Shares on behalf of the Participant, subject to the Exchange disclosure requirements under Exchange Policy 5.6 – *Normal Course Issuer Bids*.

4.11 Expiry Date

Notwithstanding any other provision of this Plan, all terms and conditions attaching to any Restricted Share Units shall be such that the Restricted Share Units comply with the exception in paragraph (k) of the definition of "salary deferral arrangement" in subsection 248(1) of the Tax Act. No payment (in Shares, cash or otherwise) in respect of any Restricted Share Unit shall be made after the Expiry Date.

4.12 Compliance with Code Section 409A

Subject to Policy 4.4 – *Security Based Compensation* of the Corporate Finance Manual of the Exchange, Restricted Share Units awarded to U.S. Participants under the Plan are intended to be exempt from Code Section 409A by virtue of the "short-term deferral" rule set forth in Treasury Regulation Section 1.409A-1(b)(4). Notwithstanding the foregoing, if any Restricted Share Unit Grant Letter awarding Restricted Share Units to a U.S. Participant contains provisions that would cause such Restricted Share Units to be subject to Code Section 409A, or if it is otherwise determined that an award of Restricted Share Units to a U.S. Participant fails to satisfy the requirements of the short term deferral rule and is thus deferred compensation subject to Section 409A, then the following rules will apply. To the extent that any amount or benefit that constitutes "deferred compensation" under Section 409A is otherwise payable or distributable to a U.S. Participant solely by reason of the occurrence of a change in control or due to the Participant's disability or "separation from service" (as such term is defined under Section 409A), such amount or benefit will not be payable or distributable to the Participant by reason of such circumstance unless the Committee determines in good faith that (a) the circumstances giving rise to such change in control event, disability or separation from service meet the definition of a change in control event, disability, or separation from service, as the case may be, in Section 409A(a)(2)(A) of the Code and applicable proposed or final regulations, or (b) the payment or distribution of such amount or benefit would be exempt from the application of Section 409A by reason of the short-term deferral exemption or otherwise. If a U.S. Participant's Restricted Share Unit that is not exempt from Code Section 409A becomes payable or distributable as a result of the U.S. Participant's separation from service, and such U.S. Participant is a "specified employee" within the meaning of Code Section 409A(2)(B) (as determined by the Committee in good faith), such payment or distribution will not occur until the date that is six months after the date of the specified employee's separation from service (or if earlier, upon the specified employee's death).

ARTICLE V **DEFERRED SHARE UNITS**

5.1 Grant of Deferred Share Units

- (a) The Corporation may from time to time grant Deferred Share Units to a Participant at such times, in such numbers and on such terms and conditions, consistent with the Plan, as the Committee may in its sole discretion determine.

- (b) The number of Deferred Share Units awarded will be credited to the Participant's account, effective as of the Grant Date.
- (c) For greater certainty, the aggregate of all amounts, each of which may be received by or in respect of a Participant in respect of a DSU, shall depend, at all times, on the Market Value of the Shares at a time within the period that commences one year before such Participant's Termination Date and ends at the time the amount is received.
- (d) For greater certainty, no Participant or any Person with whom such Participant does not deal at arm's length, as determined for the purposes of the Tax Act, shall be entitled, either immediately or in the future, either absolutely or contingently, to receive or obtain any amount or benefit granted or to be granted for the purpose of reducing the impact, in whole or in part, of any reduction in the Market Value of Shares. No DSUs shall be granted hereunder for such purpose.
- (e) Investor Relations Service Providers are ineligible to receive DSUs.

5.2 Award of Dividend Equivalents

A credited amount may, as determined by the Committee, be awarded in respect of DSUs in a Participant's account on the same basis as cash dividends declared and paid on Shares as if the Participant was a shareholder of record of Shares on the relevant record date. Such amounts, if any, will be credited to the Participant's account in additional DSUs, the number of which shall be equal to a fraction where the numerator is the product of (i) the number of DSUs in such Participant's account on the date that dividends are paid multiplied by (ii) the dividend paid per Share and the denominator of which is the Market Value of one Share calculated on the date that dividends are paid. Any additional DSUs credited to a Participant's account as a dividend equivalent pursuant to this Section **Error! Reference source not found.** shall be subject to the same terms and conditions, including vesting conditions, and time of payment, as the underlying DSU, and such additional DSUs will be settled through the delivery of Shares or paid out in cash, at the absolute discretion of the Committee, at the time of settlement/payment of the DSU to which they relate. If settled through the delivery of Shares, the additional DSUs will reduce the numbers of Shares available for issuance from treasury under this Plan as set out in Section **Error! Reference source not found.**.

5.3 Redemption of Deferred Share Units

- (a) Each Participant that holds DSUs shall be entitled to redeem their DSUs on up to two specified dates during the period commencing on the Business Day immediately following his or her Termination Date and ending on December 15th of the first calendar year following such Termination Date, or any shorter redemption period set out in the relevant DSU Agreement, by delivering to the Corporation a written notice of election (the "**DSU Redemption Notice**"), in advance of the applicable Participant's Termination Date and on a date that is not during a Black-Out Period, indicating (a) the Participant's election to have their DSUs redeemed on one or more particular dates, (b) the desired date(s) of settlement, and (c) the number of DSUs desired to be settled on such date(s); provided that such desired date(s) of settlement shall not be permitted to be during a Black-Out Period unless the desired date that is during a Black-Out Period is no less than 30 days following the date of the DSU Redemption Notice delivered by the Participant in question.
- (b) Each DSU shall be settled in the manner set out in the applicable DSU Agreement.
- (c) Subject to Section **Error! Reference source not found.**, settlement of DSUs shall take place as soon as commercially and reasonably possible following the date(s) specified or deemed to be specified in the DSU Redemption Notice, and in all events prior to December 20th of the calendar year following the particular Participant's Termination Date.

- (d) If in the opinion of the Board, a Participant is in possession of material undisclosed information regarding either or both of the Corporation and the Shares on the date specified or deemed to be specified in the DSU Redemption Notice, the settlement of such Participant's DSUs shall be postponed until the earliest of the date on which (i) the Board is satisfied the Participant is no longer in possession of any such material undisclosed information, or (ii) December 20th of the year following the year of the Participant's Termination Date. Notwithstanding the foregoing, in the event that a Participant receives Shares in satisfaction of an Award during a Black-Out Period, the Corporation shall advise such Participant of the same in writing and such Participant shall not be entitled to sell or otherwise dispose of such Shares until such Black-Out Period has expired.
- (e) Notwithstanding any other provision of the Plan:
 - (i) no payment shall be made in respect of a DSU until after the Participant's Termination Date; and
 - (ii) all amounts payable to, or in respect of, a Participant hereunder shall be paid on or before December 31st of the calendar year commencing immediately after the Participant's Termination Date.
- (f) Notwithstanding any other provision of the Plan, but at all times subject to Policy 4.4 – *Security Based Compensation* of the Corporate Finance Manual of the Exchange, the following provisions apply to U.S. Participants: (i) if a U.S. Participant is to be given an ability to elect the time of settlement of his DSUs, such election must be made at the same time and in accordance with the requirements applicable to the DSU Redemption Notice and may only allow the U.S. Participant to choose a time of settlement that complies with Section 409A of the Code, (ii) for purposes of any payments to be made on a U.S. Participant's Termination Date, such Termination Date must be the date of the U.S. Participant's "separation from service" within the meaning of Section 409A of the Code ("**Separation from Service**") and such payments must be made within 60 days of such U.S. Participant's Termination Date, and (iii) the provisions of Section **Error! Reference source not found.** shall not apply.
- (g) Notwithstanding any other provision of the Plan, but at all times subject to Policy 4.4 – *Security Based Compensation* of the Corporate Finance Manual of the Exchange, if the DSUs of a U.S. Participant are subject to tax under both the income tax laws of Canada and the income tax laws of the United States, the following special rules regarding forfeiture will apply. For greater clarity, these forfeiture provisions are intended to avoid adverse tax consequences under Code Section 409A and/or under paragraph 6801(d) of the regulations under the Tax Act, that may result because of the different requirements as the time of redemption of DSUs (and thus the time of taxation) with respect to a U.S. Participant's Separation from Service and the U.S. Participant's Termination Date under Canadian tax law. The intended consequence of this Section **Error! Reference source not found.** is that payments to such U.S. Participant in respect of DSUs will only occur if such U.S. Participant's cessation of services to the Corporation or an Affiliate constitutes both a Separation from Service and a Termination Date. If such a U.S. Participant does not experience both a Separation from Service and a Termination Date such DSUs shall be immediately and irrevocably forfeited.

5.4 Deemed DSU Redemption

- (a) If a DSU Redemption Notice is not received by the Corporation on or before a Participant's Termination Date or the DSU Redemption Notice does not specify a date or dates within the time period noted in Section **Error! Reference source not found.**, the Participant shall be deemed to have delivered a DSU Redemption Notice specifying the Business Day immediately following his or her Termination Date as the desired date of settlement for all DSUs held thereby.

- (b) Each DSU shall automatically, and without requiring any further action on the part of the holder thereof, be settled on the applicable date specified in the DSU Redemption Notice delivered, or deemed to have been delivered, by the holder thereof to the Corporation.
- (c) Where the settlement of a DSU is made by way of cash, the calculation of the amount to which the holder thereof is entitled shall be made as of the date specified or deemed to be specified in the DSU Redemption Notice. All amounts payable, whether in cash or Shares, shall be net of any applicable withholding taxes or other source deductions.

5.5 DSU Agreements

DSUs shall be evidenced by a DSU Agreement in such form not inconsistent with the Plan as the Board may from time to time determine. The DSU Agreement shall contain such terms that may be considered necessary in order that the DSU will comply with any provisions respecting deferred share units in the Tax Act (including such terms and conditions so as to ensure that the DSUs granted to Canadian Participants do not constitute a "salary deferral arrangement" as defined in subsection 248(1) of the Tax Act by reason of the exemption in paragraph 6801(d) of the regulations to the Tax Act) or other laws in force in any country or jurisdiction of which the Participant may from time to time be a resident or citizen or the rules of any regulatory body having jurisdiction over the Corporation.

ARTICLE VI TAXES

6.1 Taxes and Other Source Deductions:

- (a) The Corporation and its Affiliates shall not be liable for any tax imposed on any Participant as a result of the crediting, holding or redemption of Awards, amounts paid or credited to such Participant, or securities issued or transferred to such Participant under this Plan. It is the responsibility of the Participant to complete and file any tax returns which may be required under any applicable tax laws within the period prescribed by such laws. Notwithstanding this Section **Error! Reference source not found.**, the applicable tax withholdings may be waived where the Participant directs in writing that a payment be made directly to the Participant's registered retirement savings plan in circumstances to which regulation 100(3) of the regulations of the Tax Act apply.
- (b) Any Restricted Share Units that are awarded to a Participant who is a resident of Canada or employed in Canada (each for purposes of the Tax Act) shall be structured so as to be considered to be a plan described in section 7 of the Tax Act or in such other manner to ensure that such award is not a "salary deferral arrangement" as defined in the Tax Act (or any successor to such provisions).
- (c) Notwithstanding any other provision of the Plan, all distributions, delivery of Shares or payments to a Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) under the Plan shall be made net of applicable source deductions. The grant of each Award under this Plan is subject to the condition that if at any time the Corporation determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such exercise, such exercise is not effective unless such withholding has been effected to the satisfaction of the Corporation. If the event giving rise to the withholding obligation involves an issuance or delivery of Shares, then, with the Committee's approval, the withholding obligation may be satisfied by (i) having the Participant elect to have the appropriate number of such Shares sold by the Corporation, the Corporation's transfer agent and registrar or any trustee appointed by the Corporation, on behalf of and as agent for the Participant as soon as permissible and practicable, with the proceeds of such sale being delivered to the Corporation, which will in

turn remit such amounts to the appropriate governmental authorities, or (ii) any other mechanism as may be required or appropriate to conform with local tax and other rules.

- (d) Notwithstanding any other provision of the Plan, the Corporation shall not be required to issue any Shares or make payments under this Plan until arrangements satisfactory to the Corporation have been made for payment of all applicable tax. In no event shall withholding obligations serve to reduce the Exercise Price of any Option or increase the number of Shares issuable pursuant to any Award. Any withholding obligations of the Corporation shall at all times be subject to the provisions of Policy 4.4 – *Security Based Compensation* of the Corporate Finance Manual of the Exchange
- (e) The sale of Shares by the Corporation, or by a broker, under Section **Error! Reference source not found.** or under any other provision of the Plan will be made on the Exchange. The Participant consents to such sale and grants to the Corporation an irrevocable power of attorney to effect the sale of such Shares on his behalf and acknowledges and agrees that (i) the number of Shares sold will be, at a minimum, sufficient to fund the withholding obligations net of all selling costs, which costs are the responsibility of the Participant and which the Participant hereby authorizes to be deducted from the proceeds of such sale; (ii) in effecting the sale of any such Shares, the Corporation or the broker will exercise its sole judgment as to the timing and the manner of sale and will not be obligated to seek or obtain a minimum price; and (iii) neither the Corporation nor the broker will be liable for any loss arising out of such sale of the Shares including any loss relating to the pricing, manner or timing of the sales or any delay in transferring any Shares to a Participant or otherwise.
- (f) The Participant further acknowledges that the sale price of the Shares will fluctuate with the market price of the Shares and no assurance can be given that any particular price will be received upon any sale. The Corporation makes no representation or warranty as to the future market value of the Shares or with respect to any income tax matters affecting the participant resulting from the grant or exercise of an Award and/or transactions in the Shares. Neither the Corporation, nor any of its directors, officers, employees, shareholders or agents will be liable for anything done or omitted to be done by such person or any other person with respect to the price, time, quantity or other conditions and circumstances of the issuance of Shares under the Plan, with respect to any fluctuations in the market price of Shares or in any other manner related to the Plan.

ARTICLE VII

GENERAL

7.1 Effective Time of the Plan

The Plan shall become effective upon a date to be determined by the Board.

7.2 Suspension, Termination or Amendment of the Plan

The Board or the Committee, as the case may be, may suspend or terminate the Plan, or any portion thereof, at any time without first obtaining shareholder approval and in its absolute discretion, provided that, without the consent of a Participant, such suspension or termination may not in any manner adversely affect the Participant's rights under any Restricted Share Unit granted under the Plan.

The Board or the Committee may, subject to receipt of requisite regulatory and shareholder approval, make the following amendments to the Plan:

- (a) amendments to increase the maximum number of Shares that may be reserved for issuance from treasury under the Plan;

- (b) amendments to the persons eligible to be granted Restricted Share Units under the Plan;
- (c) amendments to the limitations under the Plan on the number of Restricted Share Units or Share-based awards that may be granted to any one person or any category of persons;
- (d) amendments which would permit Restricted Share Units, or any other right or interest of a Participant under the Plan, to be transferable or assignable, other than for normal estate settlement purposes; and
- (e) amendments to this Section **Error! Reference source not found.** of the Plan.

The Board or the Committee may, subject to receipt of requisite regulatory approval, where required, in its sole discretion make all other amendments to the Plan that are not of the type contemplated above, including, without limitation:

- (a) amendments of a "housekeeping" nature, including amendments to fix typographical errors and to clarify existing provisions of the Plan that do not have the effect of altering the scope, nature or intent of such provisions;
- (b) amendments to the vesting provisions of a Restricted Share Unit or the Plan;
- (c) amendments to comply with the rules, policies, instruments and notices of any regulatory authority to which the Corporation is subject, including the Exchange, or to otherwise comply with any applicable law or regulation; and
- (d) amendments to ensure that the Restricted Share Units granted under the Plan will comply with any provisions respecting income tax and other laws in force in any country or jurisdiction of which a Participant to whom a Restricted Share Unit has been granted may from time to time be resident or a citizen.

Any amendment of this Plan shall be such that this Plan and the RSUs or DSUs granted hereunder will not be considered a "salary deferral arrangement" as defined in subsection 248(1) of the Tax Act or any successor provision thereto, by reason of the Plan and the Restricted Share Units continuously meeting the requirements under the exception in paragraph (k) of that definition. Any amendment of this Plan or any Restricted Share Units granted hereunder, in each case with respect to U.S. Participants, will be undertaken in a manner that complies with the requirements for exemption from, or compliance with, Code Section 409A.

7.3 Non-Assignable

No Restricted Share Unit and no other right or interest of a Participant under the Plan is assignable or transferable by any Participant other than pursuant to a will or by the laws of decent and distribution.

7.4 Rights as a Shareholder

No holder of any Restricted Share Units shall have any rights as a shareholder of the Corporation in respect of such Restricted Share Units.

7.5 No Contract of Employment

Nothing contained in the Plan, including the granting of an Award pursuant to the Plan, shall confer or be deemed to confer upon any Participant the right or guarantee to continue in the employment of, or to provide services to, the Corporation or its Affiliates nor interfere or be deemed to interfere in any way with any right of the Corporation or its

Affiliates to discharge any Participant at any time for any reason whatsoever, with or without cause. Participation in the Plan by a Participant shall be voluntary.

7.6 Adjustment in Number of Shares Subject to the Plan

In the event there is any change in the Shares, whether by reason of a stock dividend, consolidation, subdivision, reclassification or otherwise, subject to the approval of the Exchange (other than in the case of consolidation or share split), an appropriate adjustment shall be made by the Committee in:

- (a) the number of Shares available under the Plan;
- (b) the exercise price of the Shares subject to Options; and
- (c) the number of Shares subject to any Award.

If the foregoing adjustment shall result in a fractional Share, the fraction shall be disregarded. All such adjustments shall be conclusive, final and binding for all purposes of the Plan.

7.7 Reorganization of the Corporation

The existence of any Awards shall not affect in any way the right or power of the Corporation or its shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Corporation's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Corporation or to create or issue any bonds, debentures, shares or other securities of the Corporation or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

7.8 No Representation or Warranty

Neither the Corporation nor any Affiliate makes any representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.

7.9 Compliance with Applicable Law

If any provision of the Plan or any Award contravenes any law or any order, policy, by-law or regulation of any regulatory body having jurisdiction (including the policies of the Exchange), then such provision shall be deemed to be amended to the extent necessary to bring such provision into compliance therewith.

7.10 Compliance with United States Securities Laws

All Awards and the issuance of Shares underlying such awards issued pursuant to this Plan will be issued pursuant to the registration requirements of the United States Securities Act of 1933, as amended, or an exemption from such registration requirements.

7.11 Interpretation

This Plan shall be governed by and construed in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein.
